# Remax It Solutions Private Limited

<https://www.indiamart.com/remax-it-solutions/>

We are among the eminent traders and suppliers of a vast variety of printers and computer peripherals. Besides, we provide highly prompt and effective services of repair for AMC and billable services.

## About Us

**Remax IT Solutions Private Limited** was incorporated in the **year 2009** as a limited liability organization at **New Delhi, India**. We are among the leading players of the industry engaged in trading and supplying of a comprehensive array of printers and computer peripherals. The wide array of products offered by us comprises **Heavy Duty Printers, Sales of Document Scanners, Line Matrix Printers, Card Printer, Consumables and Sales of Laptops**. Beside, we also render highly effective and efficient services of **AMC, repair and billable services**. Our vast range of services includes **AMC & Billable Services, Repair Services, Laptop Maintenance Services, Maintenance of Document Scanners and Managed Print Services**. These products and service are widely used and admired in different sectors of the industry like multinational companies, warehouses, government organizations, courier industries, OEM's, banks and corporations to name the few. Our company is led under the able guidance and leadership of **Mr. Sudhir Kumar** and **Mr. Rajiv kumar**. With the help of Mr. Kumar's vast industry experience, we are able to secure a commendable position in the industry. Mr. kumar is a progressive entrepreneur, who has helped the company to expand its business operations throughout the nation with his sharp business acumen and foresightedness. These two strong pillars of the organization have always been a strong source of...
